WHY JOHN?

John is a powerhouse of creativity who is ready to take the industry by storm.

With years of dedication to his craft, he has built an impressive portfolio, boasting 13 IMDb-listed films where he shines as writer, director, actor, and composer. His storytelling is bold, his vision is cinematic, and his passion is undeniable.

Specializing in high-concept sci-fi, John's work is infused with the intrigue and imagination of Doctor Who, Lost, Fringe, and Quantum Leap. He thrives on pushing boundaries, crafting narratives that captivate and transport audiences to new dimensions.

Now, he's ready for the next big leap, and he's looking for the right team to make it happen.
